VP Shows

Take a moment and consider this position. We are looking at making this a committee so all the work doesn't fall on one person. Kathy Cunning has agreed to help on the committee but not chair it. If you choose this office, know that you will have great help and guidance.

Secretary

This position only requires a good ear and the ability to take notes. If you want to learn more about the organization and opportunities this is a great position. If you can take notes you can do this job.

Historian

This position is about keeping pictures, newsletters, and other artifacts to let the future know what we did. It can all be done on the computer or a scrapbook. Pictures can be forwarded or you can take some. If you are creative, and what artist is not, you can do this job.

The Weatherford Art Association is pleased to announce we will be participating in the annual Cork & Craft hosted by the City of Hudson Oaks. This event will allow us to showcase our art and gain more exposure to the public. While sales are not allowed at the venue, you will be able to post information regarding sales at the event. WE have two booths set aside so look for art that would show others not only your style but your talent as an artist. Two pieces of art will be permitted per member.

This is a signature event for the City of Hudson Oaks and is a sell out every year. Patrons mingle with friends while enjoying wine and beer pairings, local tastes and great music. Craft and Cork will create an intimate destination to enjoy great wine and craft beer selections directly from the source.

Coming in September

We want to welcome Chandor Gardens to our monthly meeting in September. They want to tell you about all the opportunities for artists in the coming year and how you can be a part. Don't forget to put the Autumn Art Walk on your Calendar.
