The Sharron McGlasson Workshop has also been **cancelled** due to the state of our country.

The Student Show Awards have been cancelled. They were set for **March 25th at Weatherford College** have also been **cancelled**. We will get prizes and gifts to the teachers to distribute along with thank you cards for their participation.

Hopefully, we will be able to resume all activities in April.

“Prayer for a Pandemic” by Dr. Cameron Wiggins Bellm of Seattle, Washington:

*May we who are merely inconvenienced
Remember those whose lives are at stake.*

*May we who have no risk factors
Remember those most vulnerable.*

*May we who have the luxury of working from home
Remember those who must choose between preserving
their health or making their rent.*

*May we who have the flexibility to care for our children
when their schools close
Remember those who have no options.*

*May we who have had to cancel our trips
Remember those that have no safe place to go.*

*May we who are losing our margin money in the tumult
of the economic market
Remember those who have no margin at all.*

*May we who settle in for a quarantine at home
Remember those who have no home.*

*As fear grips our country,
Let us choose love.*

*During this time when we cannot physically wrap our
arms around each other
Let us yet find ways to be the loving embrace of God to
our neighbors.
Amen.*
